A Special Earth Day Event:

Please join us for Lehigh University's Virtual Earth Day celebration. The keynote speaker for a special webinar will be Joseph Robertson, Global Strategy Director for the Citizens' Climate Lobby. He will discuss "Integrative Geopolitics: Climate Resilience in a Post-COVID World."

The webinar will be on Wednesday, April 22 at 4:30pm.

The year 2020 marks the 50th anniversary of Earth Day and people across the globe will be celebrating the day through the international theme of climate action. If you have any questions, please contact sustainability@lehigh.edu.
