

Woods, Kenneth P.

Kenneth Woods Home In Time for Son's Fifth Birthday

Kenneth P. Woods, son of Harry C. Woods, executive secretary of the Lehigh Valley Safety Council, who has been on duty with the Naval Civil Service in Pearl Harbor since January 1944, returned to his home, 1028 Monocacy Street in time for his son, Larry's, fifth birthday anniversary Sunday.

Woods, who was associated with the Bethlehem Steel Company before he left for Pearl Harbor, made

refrigeration repairs on all the big battle-scarred ships stopping there for repairs.

He also saw, for the first time, another son, Richard, born the month he went overseas. His wife is the former Madeline Collins.
